A \$500 non-refundable deposit is required to reserve your seat in the Airline Dispatcher Course. This deposit will also allow the student to acquire their textbooks and training materials. This deposit also covers the cost of the ADX test at Falcon Aviation Academy's testing center. Although it is not a prerequisite, it is **HIGHLY RECOMMENDED** that you pass the ADX test prior to class beginning. If you are unable to attend the class assigned, you can reschedule to another class time, but **NO** refunds will be given. A \$1,000 deposit is due 14 days prior to the class beginning and is also **NOT** refundable. If you are making your deposit within 14 days of the start date of class, both deposits are required (\$1500).

For Falcon Aviation Academy to conduct this course we require at least two (2) student deposits made no later than one week prior to the course start date. We will cancel the scheduled class if this requirement is not met and will allow the student to reschedule to the next available time. By signing below, you are acknowledging this policy.

All classes are offered at our Peachtree City location at 5 Falcon Drive, Peachtree City, GA 30269. Please make appropriate arrangements for travel and be on time. Also, absences are not permitted. If you are unable to complete the course, or do not pass the course and need to re-take the course a \$1,500 class auditing fee will be required.

The cost of the class covers one attempt for the FAA Written Knowledge test (ADX). Any additional attempts needed to take the ADX test will be the financial responsibility of the student. An examiner administers the practical exam, and is **NOT** covered in the cost of the class. This fee of \$400 is paid directly to the examiner by you in cash.
